

# Supplemental Neuroscience Graduate Application

To apply for admission to the Neuroscience Graduate Program you must complete both The University of Texas Graduate School Application (obtained at <https://gradschool.utexas.edu/admissions/how-to-apply/graduate-admission> ) and this supplemental application, which must be uploaded to the status check website ( <https://utdirect.utexas.edu/apps/adm/mystatus/> )

Name: \_\_\_\_\_ DOB: \_\_\_\_\_

UT EID: \_\_\_\_\_ Email: \_\_\_\_\_

Please list the names of at least 6 INS faculty members with whom you might be interested in rotating and/or doing your PhD thesis work. You can find descriptions of faculty labs and research interests at (<http://neuroscienceinstitute.utexas.edu/neuroscience/faculty> ). If you are interested in more than 6 faculty members we encourage you to list them all.
